

Ink[®] A Division of Sun Chemical Corporation

September 23, 2008

To All US Ink Employees:

I am pleased to announce that Mike Wehner has been promoted to the position of Regional Manager, Eastern Region, reporting to me.

Mike will direct the Eastern Region's activities for all of the sales, production, technical and administrative functions within both East Rutherford, NJ locations.

Since December 2005, Mike has been the Sales Manager for US Ink's Eastern Region. Mike joined US Ink in 1995 as a Sales Representative assigned to the upstate New York region. Prior to joining US Ink, Mike had over ten years experience as a Project Manager for Cornwall Consultants.

During his career at US Ink, Mike has established strong relationships with many major customers including the Ogden Group, Gatehouse Media, Buffalo Newspress, Buffalo News and Syracuse.

Mike completed a B.E.T. degree in Civil Engineering from Rochester Institute of Technology and an A.A.S. Degree in the same major from Alfred University in Alfred, New York.

Please join me in congratulating Mike on his promotion and wishing him continued success within US Ink.

A handwritten signature in cursive script that reads 'Mike'.
